COUNTY COLORED SCHOOLS IN MODERN HEALTH CRUSADE

Schools for Negro children in St. Louis County are adopting the Modern Health Crusade, the new play which emphasizes health and hygiene for a strong and healthy next generation.

The Lincoln School in the Bridgeton section has a one-room school having twelve pupils, and School No. 17 of the Fairmount District, which has thirty girls, were the first schools to join the Crusade. The aim is to instill the Modern Health Crusade.

Mrs. Adele Hamilton is teacher of the Lincoln School and Mrs. Sadie J. Tucker of School No. 17.

The Lincoln School will receive the highest degree, that of night instruction, on March 10, 1921, at Pythian Hall.

This degree will be attained about one week earlier than any of the schools for white children in the county.

Other school districts in the county have schools for Negro children which are adopting the Modern Health Crusade.

Kinloch, Valley Park, Brentwood, Kirkwood, Wellston, Clayton, Normandy and Ritterton.

Other schools in the county, such as the Dunbar Social Club in the Bridgeton section, are also adopting the Modern Health Crusade.

The Dunbar Social Club is one of the Dunbar colored families and children who are doing "It's Safe" to put St. Louis on the map.

The Dunbar Social Club was originally organized with the following president and permanent members at arms: Earl Steinberg, Russell Jenkins, Walter Fletcher, Warren Morgan and Mrs. Evelyn Clark.

They have been dashing,

putting up everything so truly worthy of note, and is planning its first formal ball of the season on March 10, 1921, at Pythian Hall.

It is needless to say that the Dunbar Club occupies quite a prominent position in the community.

For the past year we have worked after our former, the good people of America, the late Paul Lawrence Dunbar.

At the Y. W. C. A.

On last Sunday afternoon the auditorium was filled to overflowing to hear a great musical program given by the Catholic Men's Club, who presented a most wonderful message to the Yer patron.

The Ninth Annual Fund-Raising dinner, which was held on last Friday evening, was an affair that will remain in memory of everyone who attended. Mrs. John C. Walker, president of the board of managers, presided admirably. Dr. Amanda V. Gray, branch director of Wheatley Branch that is most remarkable, in the light of the struggle that she has been having and yet still maintaining the challenge of the late Madam C. J. Walker to give \$150,000 if the association would establish a home for the aged.

Madam V. Gray, who is the executive director of our building, has been doing an excellent job for the War Council Report. Her report was received with great interest and admiration.

The reports of all the committees and securities which were presented showed a challenge to every St. Louisan to work harder and more earnestly for a greater and bigger budget.

Mr. John C. Walker, president of the board of managers, has been hard work and some reports the report of the Business Secretary, Miss Pauline Williams, was excellent.

Miss Pauline Williams, National Secretary of the Woman's Home Missionary Society of the Methodist Episcopal Church, was guest at the Annual Entertainment.

We wish to express our hearty thanks and appreciation to the Yer for their support at the Annual Entertainment.

Mr. John C. Walker, president of the Y. W. C. A. Glee Club furnished their music for the evening.

Gov. McRae's Opportunity

The burning-lynching of Henry Lowery, a Negro at Nodena, Mississippi County, Arkansas, last week by a mob, has upset the common order of things, and the thinking people of the country are now wondering where we are as a nation, really coming. To be sure, burning-lynching is not the only thing, but the aspects of this Arkansas case is just a little different from the others. It is the governor of Arkansas had promised Lowery a fair trial upon his return to the state. The governor had ordered that the prisoner be brought direct to Little Rock for safekeeping. All of these facts were in the hands of the officers who had charge of the prisoner.

Complaint For Governor's Orders

The refusing to obey the orders of Governor McRae is a downright case of contempt, pure and simple. The laws of the country must be respected. The governor of a state has wonderful power. He is the chief executive. The head of the army and navy of his state. All power of the state is behind him to enforce the laws of the land. Then there is a lynching.

Press reports were far in advance of the actual lynching at Nodena, telling of the surrender of the prisoner by the officers to the mob. The people will want to know, didn't the news reach the governor's ears in time for action on his part?

According to the statement the officers turned over their prisoner in lumbile style. The mob, after chaining their victim to a log, piled wood and brushes about his body then poured on oil, all of which was done in the presence of women and children, and while the victim was yet alive. Then applied the torch, and stood by, watched with heathenish glee, the poor wretch struggle in the flames of hell. Then a second application of oil was made, and the wretched victim lay in ashes, and the mobites made no attempt to hide their identity.

We are quite hopeful that some of the members of the mob will be punished. Gov. McRae has the opportunity of his life to do the big and manly thing. This is undoubtedly the psychological moment to strike and strike hard, that serpent, mob-law, in America. A blow from the South will have a telling effect on the future. The people have waited, to these many years for God to raise up a man in the South to strike the knockout blow. We believe that Governor McRae is the man. He has made a good start. His cause is right. He can have nothing but a satisfied conscience if duly well performed, in his efforts to stamp out mob violence. Isn't it time to manacle the South to the curse of mob-law? But who will make the start? We need a real, honest-to-God start. Governor McRae, the time is ripe. The psychological moment is now!

California And The Ku Klux

Los Angeles Times

It is inconceivable that the citizens of California would, for one moment permit such bloody and violent outrages upon any class of our residents or upon any individual member of an alien race as were practiced by the Ku Klux Klan in the South. Whatever offenses against law and order may be committed in this State are amply covered by our system of justice and can safely be left to the proper authorities.

We have no need for a Ku Klux Klan to aid in the settlement of our State, established by lawless, secret organizations. There may be room for a society to aid in maintaining the supremacy of the white race, but it is not through blazing crosses, white-draped and masked riders and threats of mysterious reprisals that the supremacy of any race can be maintained or advanced.

Quite A Contrast In Justice

What looks to us like a strange case of administering justice was called to our attention a few days ago through a newspaper report of two convictions of first-degree robbery in the Circuit Court, here last week. One of the defendants was a white man, who was convicted of robbing a man of \$340. He was sentenced to 3 years in the penitentiary. The Negro was convicted of a drugstore robbery of \$90. He was sentenced to serve a 10-year term in the penitentiary.

A statement of the case as reported in the daily press:

"Two highwaymen were convicted of first-degree robbery, by juries in the circuit court yesterday and were sentenced to the penitentiary."

"James Regan of 1821 South Broadway was given a five-year sentence in Judge Landwehr's court, for holding up Capt. James Phillips of the Steamer J. M. at Second and Morgan streets, last Aug. 13, last hitting him on the head with a revolver and robbing him of \$340. Regan admitted that on Feb. 25, 1919, he pleaded guilty to carrying a concealed weapon and was fined \$100."

"Will Estor, a Negro, of 2204 Walnut street, was sentenced to 10 years by a jury in Judge Hartmann's court. He and another Negro held up the restaurant of Tyre Agree, 1820 South Jefferson avenue, last November and obtained \$10. William Tally, another Negro, who was indicted in Estor on the same charge, took & severance and has not yet been tried."

In case like this raises one or two important points in connection with the administration of justice in our courts. First, the question of whether a jury composed of all white men will deal justly with a Negro charged with an offense as they would a white man charged with the same offense? Second what charge did the jury receive from the bench?

No one can read the above statement in the light of facts given in the news items, without feeling that something is wrong with justice.

The case summed up: The Negro gets ten years for taking part in a ten (\$100) dollar robbery; the white man gets five years for robbing a man of three hundred (\$300.00) dollars. Quite a contrast in the bench?

Make your skin bright, healthy and beautiful

It is the aspiration of all women of culture and intelligence to attain beauty

A smooth, clear complexion of delicate softness, free from blemishes and blackheads, is indicative of intelligent care and refinement.

It is made by competent chemists, and only the best of each class of ingredients is used. It is creamy white, smooth as velvet, sweetly perfumed.

After rubbing the Skin Whitener in thoroughly, let it be absorbed by the skin, apply Dr. Fred Palmer's Skin Whitener Powder, a dainty, sweetly-scented face powder, that protects the face from sun-burn or chafe, and enhance the lightness of the complexion.

In ten days or a week's time, the effect of this treatment will be noticed. Blackheads, blemishes and discolorations will disappear. Gradually the skin will take on a lighter, brighter tinge that radiates healthfulness and beauty.

In addition to the soap, cream and powder, Dr. Fred Palmer has prepared a hair dresser that is without equal for straightening, softening and increasing the growth of the hair. Only a hair dresser par-excellence would be marked with Dr. Fred Palmer's name, which has always stood for quality in toilet preparations.

There are many imitations of Dr. Fred Palmer's preparations, so be sure to ask for them by full name.

But faithfully trusting and waiting,

He will wake with joy to meet us.
